

ISO 14001

Certification

Gestamp WV

3100 MacCorkle Avenue SW, South Charleston, WV, 25303, US

SCOPE OF CERTIFICATION:

All operations and activities associated with the manufacture of hot and cold stampings and assemblies of components for the automotive industry (excluding the gescrap recycling operations conducted).

BOUNDARIES:

Scope includes all production buildings at site address and including parking lots.

Having been examined in detail for conformance to the requirements of ISO 14001:2015, and having been determined by Advanced Waste Management Systems, Incorporated, the Certification Body, to be in conformance with all provisions of this standard, the Environmental Management System of the organization is hereby certified to ISO 14001:2015. The scope of this certification includes all operations and activities of the organization as specified above. This document is subject to the terms and conditions of AWM Rights and Duties document.
