INSIDE INFORMATION

Banco de Santander, S.A., through its investment vehicle Andromeda Principal Investments, S.L.U. (the “**Vehicle**”), today entered into an agreement with Gestamp and other subsidiaries of its group (the “**Gestamp Group**”), whereby the Vehicle will acquire a minority stake in the share capital of four Spanish companies of the Gestamp Group: Gestamp Real Estate Assets 1, S.L., Gestamp Real Estate Investments 2, S.L., Gestamp Real Estate Management 3, S.L., and Gestamp Real Estate Bizkaia, S.L. (together, the “**Subsidiaries**” or, individually, a “**Subsidiary**”). The Vehicle’s stake in the Subsidiaries will represent 43.89%, 37.41%, 36.19% y 24.92% of their respective share capital. The acquisition will be carried out through a cash capital increase in each Subsidiary, by issuing preferred shares and disbursing an aggregate total amount of 245 million euros. This stake will be recorded under the Non-Controlling Interests section of the Gestamp Group’s consolidated balance sheet.

Prior to the Vehicle’s investment in the Subsidiaries, the latter will become owners of the Gestamp Group’s real estate assets in Spain. However, the assets will continue to be operated by Gestamp Group companies for their industrial activity under lease agreements to be signed between those companies and the Subsidiaries.

The investment is expected to be formalized during the month of September, once the contribution of the aforementioned real estate assets to the Subsidiaries has been executed.

This transaction aligns with the Gestamp Group’s strategic objectives, contributing to strengthening the balance sheet and enhancing the value of its assets in Spain.
